Hosted by Soddy Church of Christ, in cooperation with other area congregations, the evangelistic effort is open to the public and free of charge.

A growing number of cable systems around the U.S. carry GBN, now in its fourth year of operation, under the oversight of the elders of the Highland Church of Christ in Dalton, Georgia. GBN broadcasts 24/7 on the internet at www.gbntv.org. Its flagship program, **Good News Today**, airs daily on DirecTV and Dish Network. Many homes, prisons, retirements facilities, and other outlets receive the network via Ku-band satellite receiver systems. These viewers will be linked directly to the live Tivoli event, which will be taped for rebroadcast on the network.
