2017 is a year of new opportunities and blessings for GBN.

NEW CABLE STATION – On March 1st, we are scheduled to launch on Ritter Communications in West Tennessee. GBN will be channel 380 in their digital tier. This new station will broadcast 24/7 in the region of Memphis and immediately north of there. Cities and towns reached by Ritter include: Munford, Arlington, Drummonds, Atoka, Mason, Somerville, Memphis, Stanton, Burlington, Millington and Brighton. If you live in one of these areas and can get Ritter Cable,

please be on the lookout for GBN.

NEW GBNLive SET – You have probably noticed that for the last couple of months our live Thursday call in program called GBNLive has not been airing. This is because we are in the process of a major overhaul of the program. We are re-doing the format of the program to make it faster paced and to cover more questions turned in by viewers. We’re also completely redesigning the set of the program. The picture to the right is what we’re using for our model. We intend for the final project to be very much like this one. Our sincere thanks go out to the generous brother who funded the remodeling of the set. Our goal is for GBNLive to be back on the air by mid-March. It is, after all, our most popular program.

NEW WEBSITE – GBNTV.org will soon have a completely new look. Our old website has been with us for a number of years now. While it has technically gotten the job done, it has long been in need of an overhaul. Recognizing its potential, we have invested a tremendous amount of time and money in its redesign. The new site will be cleaner in appearance, simpler to use and more attractive to the eyes. It will also be filled with more teaching content to reach and edify people with the gospel. A video archive will be one of its key features. We’ve hired a company to help us with search engine optimization. This improvement has been in the works for a long time but it should go live in mid-2017.

NEW TRAILER – Sometime back our trailer was stolen. Though we had it behind a locked gate with a tongue lock on the trailer itself, someone stole it while we were away. For months now, we’ve been having to rent trailers at considerable cost to GBN. In January we were able to purchase a new trailer. This will be used to transport our equipment to various onsite filming locations in 2017 and for years to come.

ALL THINGS NEW (CONT.)

NEW PROGRAMMING FROM OUR SATELLITE STUDIO –

Our newest satellite studio is located in Columbia, SC at the St. Andrews Road Church of Christ. They have also sent us the following proposal for future programming, which will be filmed in English and Spanish. The title of the series is *Jesus Demonstrates His Love For Me*. Lesson 1: He Came to Earth For Me, Lesson 2: He Created Everything for Me, Lesson 3: He Designed Me, Body and Soul, Lesson 4: He Gives Me His Plan For My Salvation, Lesson 5: He Added Me To His Church, Lesson 6: He Preserves Me and My Family, Lesson 7: He Prepares An Eternal Home With Him, Lesson 8: He Is Returning To Take Me Home. We are excited to see programming to begin to come from this new studio.

Of course, our goal with each of these things is to obey the Great Commission to take the gospel into all of the world. We believe that God has given us the modern technology at our disposal so that we may accomplish this mission. No one will be able to stand before God on the Day of Judgment and say, "Lord, we didn't have the resources to carry the gospel. The world was just too big!" He has given us the tools. At GBN, it is our intention to use these tools to reach souls. We could not do it without you. We are thankful for your funding and your prayers, without which, we could not accomplish our mission. We're honored to be fellow laborers together with you. Thank you.

ADAM VAUGHN

Romans 13:17 teaches that we are to give honor to whom honor is due. We would like to honor our lead editor, Adam Vaughn as this year marks his tenth anniversary with GBN. This is truly an accomplishment since GBN is only in its eleventh year of existence. Adam has seen many changes in our organization since the early days in Chattanooga, TN in 2005.

“One thing that I can say about Adam is that he is the highest quality of an employee - the type every employer dreams of having. Adam is truly an asset to GBN, and we count him and his wife Laura as a valuable part of the GBN family.”

– Don Blackwell

“Congratulations, Adam, on ten years with GBN! What an asset you are to the network as a talented editor and to all as a fine Christian example. Both you and your wife, Laura, are a blessing to all who know you. May God bless you and GBN with a long and fruitful labor of love together.”

- Jim Dearman

(Jim Dearman worked with Adam in the early years at GBN, and they continue to work together as Adam edits the Good News Today program.)

GBN is available through cable, satellite, PCs, iPads, iPhones, iPods, Android devices, Amazon Fire devices, Windows Phones and tablets, Roku, SmartTVs, Radio and AppleTV!
