

GOSPEL BROADCASTING NETWORK

SHARING THE GOSPEL.

THANKS

In 2024 several souls passed from this life and were carried by angels into paradise, having learned the truth through the efforts of the Gospel Broadcasting Network. Without your support, this may not have occurred. Over the last twenty years GBN has helped thousands of people become Christians, strengthened new converts, and has assisted children of God to grow into more capable servants in the Lord's kingdom. In 2004 we were planning to carry the gospel into the world via cable and satellite. We never envisioned smart phones, social media, AI and the astounding technology surrounding us today. But though the world has changed, our mission has not. Our focus has never shifted. We continue to teach the unadulterated gospel, using book, chapter, and verse preaching.

SUPPORT

If you'd like to help us continue the work in 2025, you can mail in a contribution in the envelope provided, or you can contribute online at: gbntv.org/support/ or by scanning this QR code.

A GBN supporter has graciously offered to match up to \$100,000 in contributions given through the end of 2024. If we reach this goal, it will mean 200k going into the work. Will you help us reach this goal?

A TOKEN OF OUR APPRECIATION

As a small token of our appreciation, we've included in this package an Apologetics Press Bible stamped with the GBN logo on the front. We've also included a GBN Ready Reference Guide. We believe it will be a valuable resource to help you in your personal study and will assist you to teach and respond to your religious neighbors.

- Audio Books- Additional books are being added each month!
- Ready Reference Guide

- The library is continually growing. Check back regularly.

CONVERSIONS

GBN content is watched hundreds of thousands of times a year by many people. This means that souls are being edified, the unfaithful are being restored, and many souls are becoming Christians. When viewers contact GBN, we study with them via Zoom or over the phone. We then connect them with a local church of Christ for follow-up and baptism. This happens repeatedly throughout the year. While we will not know the extent of GBN's impact until eternity, in 2024 we are aware of many baptisms directly linked to the work of GBN employees.

There are billions of souls in the world who have not yet heard the gospel. It is our goal to take it to them. If you currently support the Gospel Broadcasting Network, we believe that you will be amazed at the work that we are currently doing. **We want to come and do a report for your local congregation! Please call us to set up a time.**

If you would like more information on how to donate to GBN or to add us to your will, please contact John Stubblefield (CPA) (662)-874-5508. We also work with a brother in Christ, Dale Hubbert, who works in the financial industry and is willing to provide a complimentary “gifting” discussion to determine the most effective way for you to financially contribute to GBN now and in the future.
