RECENT CONVERSIONS

Courtney Brooks and her husband decided to start reading their Bible in 2020. They found a church near their home and began attending. They became very involved and were even baptized into the denomination. But then Courtney started questioning their teachings on baptism. She came across GBN's social media and reached out to us. We pointed her in the right direction, and she and her husband were baptized for the remission of sins at their local church of Christ.

Thank you for your support and prayers.

Brotherly,

Don Blackwell,
Executive Director, GBN

What God Rejoins: Studies in Divorce and Remarriage

By: Kerry Duke

What God Rejoins: Studies in Divorce and Remarriage is now available as a free PDF and audiobook in the GBN library. You can access it on the GBN website or app.

"The following essays address specific questions about the application of Bible passages on this topic and respond to ways the scriptures are mishandled. For this reason this collection of writings could be called exercises in exegesis and application as well as a book on divorce and remarriage. There is no unifying theme or particular order to these articles and essays; they are things I have written on the subject for over thirty years. No one will agree with every point, but if anyone can gain a better understanding and stronger confidence in the words of the Bible, I will be a blessed man."
