## RECENT CONVERSIONS

We rejoice that two precious souls were added to the body of Christ as a result of a gospel meeting with Don Blackwell (director of GBN) in West Monroe, LA. **Isis Price** and **Aiden Richardson** obeyed the gospel at the Beacon church of Christ in January.

**Norma Miguel** was also baptized in Glasgow, Kentucky after about 6 weeks of studying with Joey Treat through Zoom. Please pray for our new brethren in Christ as they begin their Christian walk.

We thank you for your support and ask for continued prayers for our work here at GBN!

Brotherly,

*Don Blackwell*
