RECENT PROJECTS

We are excited to announce that we will be releasing new episodes of **Counterpoint** with Mike Hixson and BJ Clarke every Wednesday starting this month!

We would also like to thank you for making our 2023 year-end matching campaign a success! We pushed until the deadline and in the end, we were able to achieve our goal. Thank you for your abundant generosity.

RECENT CONVERSIONS

Cole Walker, who lives in Murfreesboro, Tennessee, started watching GBN's content in the spring. Last month he began searching for a church that taught the true gospel and reached out to us for help. He was later baptized at East Main church of Christ. Praise to God for our new brother!

We wish you all the best for the new year and a productive year of winning souls to Christ!

Brotherly,

Don Blackwell
