RECENT CONVERSIONS

Meet **Nessya**! Nessya is from California and reached out to GBN after watching a Youtube video by GBN. We studied with her via Zoom and she made the decision to obey the Gospel. She was baptized into Christ on Tuesday, June 10, 2025.

Esther is from Ohio and reached out after watching the Authentic Christian Podcast. She said, "after watching many of your podcasts I'm seeing that Baptism may actually be of more importance than I was led to believe." We studied with Esther and connected her to a church of Christ in her area. She was baptized into Christ on Friday, June 13, 2025.

The Bible Doctrine of Jehovah God

By: Robert R. Taylor, Jr.

The Bible Doctrine of Jehovah God is now available as a free PDF and audiobook in the GBN library. You can access it on the GBN website or app.

The Bible Doctrine of Jehovah God presents a portrait of the First Person of The Timeless Trinity from both the Old and New Testaments. Objections to His existence are refuted while the case for His existence is treated in an airtight fashion. The book traces his attractive attributes with Scriptural reverence, and emphasizes our mutual duties toward Him. "My God And I" walk together in this volume. Each chapter ends with a variety of questions. Overall, the book is designed for twenty-six class sessions, but may be studied individually with profit.
