RECENT CONVERSIONS

Chloe Derouen contacted us on April 11, 2025, to share that her boyfriend had recently been baptized after a year of study. She noted that GBN's teaching content played a significant role in his conversion.

Chloe also inquired about follow-up material for new Christians, which we are currently developing.

Keith Queen of Iowa was recently baptized into Christ after several weeks of focused Bible study initiated by watching GBN online.

Though legally blind, Keith used screen-enlarging technology to study the Back to the Bible lessons and complete them independently. His journey began when he watched an episode of Truth in Wheels featuring Barry O'Dell, which led him to follow Barry's

podcast and explore additional GBN programs. With questions about baptism, Keith contacted GBN and eagerly pursued further studies. He was baptized at a local Church of Christ, which now provides him transportation so he can attend worship services each week.

We are constantly producing new resources, videos, and study tools that can help your local congregation do evangelism, teach classes, strengthen new converts, assist shut-ins, and provide for personal study. And most importantly, we have many conversions as a result of the work we're doing. We'd love to tell you about the work we're doing and how GBN can help your local congregation. Please reach out to us, and we'll have one of our speakers come and present GBN to your congregation.
