RECENT PROJECTS

We have released two new episodes of **Answering the Error** in the past month. One covers the topic of divorce and remarriage, and the other answers the question, "Is the Church of Christ the Only Church Going to Heaven?"

We have also started filming for our new ladies show, **Daughters of Wisdom!** This show will feature a variety of women and will cover a wide range of topics pertaining to ladies. The show will release later this year.

RECENT CONVERSIONS

A man and his wife were baptized into Christ after a friend shared episodes of The Authentic Christian Podcast with them. Another man, Rex Albritton, was baptized after watching GBN episodes on

denominationalism, premillennialism, what must I do to be saved, and others. Pray for our new brethren in Christ!

Please continue to pray for this endeavor. Thank you for your support.

Brotherly,

Don Blackwell

Lifting Up Hands

In Worship to God

By: Dave Miller

Lifting Up Hands In Worship to God is now available as a free PDF and audiobook in the GBN library. You can access it on the GBN website or app.

"As Christian worship has undergone significant refurbishment in recent years, one fad asserting itself is the practice of holding up one's arms in the church worship assembly. The justification typically offered for this practice is, ostensibly, 1 Timothy 2:8 —“lifting up holy hands.” What do the Scriptures teach regarding lifting up one's hands in Christian worship?"
