RECENT CONVERSIONS

Four years ago Aaron Gallagher studied with a young man named **Isaac Polson**. That study did not end in baptism, but Aaron put him in touch with a local congregation where he lives in England. He studied with the preacher, had issues over the doctrine with his family, but ultimately went into the church building a year after that and was baptized.

He has attended faithfully ever since.

Jose was baptized into Christ August 14 at the Crandall church of Christ in Crandall, Texas. Jose reached out to GBN after watching the Authentic Christian Podcast. He wanted to find a church of Christ to attend near him and he also wanted to be baptized "ASAP." Matt Wallin and House to House Heart to Heart helped us find a congregation close to him and he was baptized into Christ.

Approximately 4 years ago Ralph Williams saw a video done by Don

Blackwell, and he desired to be baptized. After several studies, Ralph and his wife Mercy were baptized and have been faithful members of the El Portal Church of Christ. Recently, his sons, **Eythan** and **Elijah**, were baptized as well.

We appreciate your support of GBN. Please continue to pray for this endeavor.

Modern-Day Miracles

By: Dave Miller

Modern-Day Miracles is now available as a free PDF and audiobook in the GBN library. You can access it on the GBN website or app.

"Anyone who believes the Bible knows that God performed many miracles in history—beginning with the creation of the entire Universe out of nothing by speaking it into existence (Psalm 33:6,9). No one who believes the Bible would deny that miracles have happened in the past. But do they happen now? Can anyone today actually raise someone from the dead? Are severed arms or legs being restored to the injured? Is eyesight being instantaneously given to those blind from birth? What does the Bible say?"
