## RECENT CONVERSIONS

Meet **Marchant**! Marchant reached out to GBN after watching The Authentic Christian Podcast. He lives in South Africa and was looking for a church of Christ in his area, and all he could find were denominational churches. We connected him with Vredenburg church of Christ in South Africa who connected him with a preacher in his local

area. Marchant and another man with him were baptized into Christ for the remission of sins on August 4, 2024. His wife was also baptized into Christ for the remission of her sins on September 1, 2024.

## RECENT PROJECTS

A supporter of GBN has offered to match up to \$100,000 of donations given through the end of the year. This means that for every dollar we raise, this supporter will also

donate a dollar, giving us the potential to raise \$200,000 to help spread the gospel. We are so thankful for you and the support you have given to GBN in the past, and now we ask for your help in achieving this challenge. If you would like to contribute to this effort, you can mail a contribution to 8900 Germantown Road Olive Branch, MS 38654, or you can donate online.

If you send a check for the matching campaign, please be sure to note it as "Matching funds" in the memo line.

# Faith and Reason

**By: Dick Sztanyo**

*Faith and Reason* is now available as a free PDF and audiobook in the GBN library. You can access it on the GBN website or app.

"We are not required to flee into the land of irrationality in order to escape the challenge of the skeptic. My desire is that the reader will come to this same conclusion through a study of the material made available in this volume. The conclusions drawn from the various arguments presented here become our shared responsibility. I am traveling the road of reflection regarding the faith/reason controversy; I now bid you to accompany me on the journey."
