The Book God "Breathed"

By: Keith A. Mosher, Sr.

The Book God "Breathed" is now available as a free PDF and audiobook in the GBN library. You can access it on the GBN website or app.

"Keith A. Mosher, Sr., has written a powerful affirmation of the Bible's inspiration. The faith of those who study it objectively will be strengthened in the Bible, and they will be fortified in the determination to defend the truth and to contend for the faith (Phil. 1:17; Jude 3). This volume is worthy of wide distribution and study."
