## RECENT CONVERSIONS

**Mike Joyce** was baptized in Branson, MO following a lesson Don Blackwell did on baptism. He was a Catholic who had been accompanying his wife to services. He said that he had been baptized as a baby in the Catholic church, but he was convicted of the truth.

Earlier this year, The Authentic Christian Podcast did an episode on personal evangelism encouraging members to register for

community fairs and setup a table for the churches of Christ to engage the community. Ryan Rule and Gary Peterson registered at their county fair and set up a table. GBN provided them with resources for their table. They sent us this message: "We had a great 4 days. Many bible discussions. Several people have agreed to bible studies. Young lady heard the truth and wants to be baptized. We are working out the details. Planted many seeds."

# He Chose 12

**By: George W. DeHoff**

*He Chose 12* is now available as a free PDF and audiobook in the GBN library. You can access it on the GBN website or app.

"One would have a difficult time today or any day finding twelve men who have had more influence in the history of the world than the apostles of our Lord. Jesus selected them and trained them. He sent the Holy Spirit to guide them into all the truth. They hazarded their lives for Christ and His kingdom. The Holy Spirit guided and directed them as they wrote the Bible. We now have this truth - God's verbally inspired immovable perfect word, a lamp to our feet and a light to our pathway.

We should learn all we can about these men whom our Lord selected to lead in establishing the church and preserving the truth for us."
