RECENT CONVERSIONS

Meet **Amy**. Amy was baptized into Christ in Auburn, AL. She had been studying with her friend Katie and wanted to know more. After studying with Aaron Gallagher, she obeyed the gospel.

Sylvia Brennan approached Don Blackwell at the Branson lectureship and told him that

she was baptized after watching a video he did 19 years okay. It goes to show that we are reaching people that we never hear about.

We received exciting news from Emelito Solon, a local preacher in the Philippines, that four more souls had been baptized into Christ. Earlier this year, Emelito baptized a couple after they reached out to GBN and studied with us. Emelito reports that Bible studies are actively continuing, and they are anticipating at least three additional conversions in the near future.

Please pray for these souls!

Thank you for your support and prayers.

Brotherly,

Don Blackwell,
Executive Director, GBN

Authentic Christianity

By: Rod Rutherford

Authentic Christianity is now available as a free PDF and audiobook in the GBN library. You can access it on the GBN website or app.

"The only authentic account of Jesus and His church is the New Testament, which Jude aptly called "the faith once for all delivered to the saints" (Jude, v. 3 - ASV 1901). We must lay aside the creeds of men, the decrees of church officials, the theories of scholars, and the debates, discussions and dogmas of theologians and drink the pure waters of the fountain at its source to see the authentic Christ and become part of His authentic, original church. It is an exciting journey back to the beginning!"
