RECENT PROJECTS

We have recently released a series with Keith Mosher that covers an in-depth study of the book of Revelation! You can find the episodes on the GBN app and YouTube channel.

In the past month we have released two debates between Aaron Gallagher and members of the Eastern Orthodox Church. In these debates the men discuss which church is the true church established by Christ, and whether the final authority for Christian faith is Scripture alone, or Scripture plus sacred tradition and councils.

These are also available on the GBN app and YouTube channel.

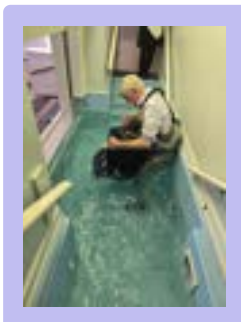

RECENT CONVERSIONS

Bailey Grandstaff was baptized November 18th at the East Main church of Christ by Cole Walker (our volunteer staff

member). She is Cole's sister. Cole says, "My sister studied for a few months and she realized she could be added to the same church that existed in Acts 2."

Juanita Tate, age 91, is homebound, but she watches GBN. She recently saw an episode of Truth on Wheels that included Luke Griffin, one of the elders at the Eastridge congregation in Chattanooga. She determined that she needed to be baptized. Since she lives in the Chattanooga area, she reached out to Luke, who studied with her over the phone. Eastridge then made arrangements to pick her up, transport her to the building and baptize her. Charlie Cochran immersed her into Christ on Wednesday, February 11th.

See back for the audiobook of the month!
