**GOSPEL
BROADCASTING
NETWORK**

RECENT PROJECTS

At the recent **Lads to Leaders** Convention in Nashville, Glenn Colley and James McKinney hosted a special **Bible giveaway**. Attendees who downloaded the GBN app and showed it on their phones received a Bible, resulting in 12 Bibles distributed to individuals

eager to grow in God's Word. We're thankful for opportunities like this to connect, encourage, and share the truth.

We have recently put together a **GBN Church Bulletin Promotional Kit**. This page provides churches with downloadable graphics, bulletin inserts, announcement slides, and promotional materials to help share the work of the Gospel Broadcasting Network with their congregation. To utilize this, go to the "Resources" page on

the GBN website and then click on "Promotional Material."

RECENT CONVERSIONS

Chenaniah Holmes was recently baptized into Christ by David B. Smith at the North Hamilton congregation

outside of Chattanooga, TN. Aaron Estes reports, he was raised Baptist and just believed what he was told until he started reading it for himself. He's blessed with honesty and after being taught and watching a video by Don Blackwell he understood the truth and was baptized.

A man named **Lucas** notified us that he was baptized in Texas. He has watched The Authentic Christian Podcast and corresponded with Aaron about his previous "Baptist baptism." Aaron explained to him the truth, and he emailed a few days later stating that he had obeyed the gospel.

See back for the audiobook of the month!

Thank you for your continued support and prayers!

Brotherly,
