RECENT PROJECTS

Rod Rutherford has finished the **Song of Solomon** in the GBN Commentary series, and it is now available in the online library.

GBN recently attended and assisted with **Revival in America**, which is hosted by the West Fayetteville church of Christ. We will be releasing the lessons filmed at this event soon!

In our recent newsletter we shared that Caleb Reagan was baptized after a study of GBN material on moderate and social drinking. The wording implied to mean Caleb had been involved in social drinking. That was not our intention. Caleb has asked us to clarify that he has never consumed alcohol and does not condone social drinking or its abuse. He also notes that while the alcohol study was beneficial and helpful, other personal matters were involved in his decision to be immersed and he wanted to be certain he was responding for the right reasons. We regret not seeking Caleb's permission before publishing his story and any confusion this caused. We are thankful for his clear stand and for his desire to live faithfully as a Christian. We apologize for the unintended harm to his reputation.

RECENT CONVERSIONS

While livestreaming on GBN's TikTok platform, Cole Walker received a request for Bible study from

Ms. Dortha. After discussing salvation, the church, and baptism, she was connected with the Twin Creeks church of Christ and was baptized on June 15.

Don Shepherd has been watching Anchor of the Soul, a program produced at GBN. After regularly viewing the program, he obeyed the gospel and was baptized.

Josh Taylor (not pictured) was baptized in St. Louis after a gospel meeting by Aaron Gallagher.
