

GBN Mid-Year Newsletter

A Home That Has Served Well — And a Vision for What Comes Next

For more than twenty years, GBN has been blessed by Christians who believe in the power of God's Word. Because of your prayers, encouragement, and financial support, the Gospel has been carried into homes around the world every day.

A Faithful Home

In 2012, GBN moved to Olive Branch, Mississippi, under the oversight of the elders of the Southaven Church of Christ. Since then, this building has been home to thousands of Bible lessons, live programs, Bible questions, and recordings that have encouraged Christians and helped teach the Gospel around the world.

While this building was never designed for a television and media work like GBN, it has served us faithfully for many years, and we are thankful for all that has been accomplished here.

For more than a decade, this building has helped carry the Gospel into homes around the world

Looking Ahead

As grateful as we are for the past, we're also looking to the future.

Over the years we've made improvements and adapted our current facility as best we could, but we've reached the point where the work has simply outgrown the building. A facility designed specifically for what we do will allow us to record and produce programs more efficiently, better use the technology available today, and provide room for future growth.

We believe this is a wise investment in the future of this work, and we look forward to sharing more details with you in the weeks ahead.

How You Can Help

If GBN has strengthened your faith, helped you understand God's Word, or reached someone you love, we hope you'll consider being part of this next chapter.

You can help by praying for this effort, telling others about GBN, and, if you're able, helping financially as we move forward.

We'll share more information soon. Until then, thank you for your prayers, your encouragement, and your faithful support over the years. We couldn't do this work without you.

A New Bible Study Tool Is Coming

Over the past several months, we have been developing a new application called **theBible.net**.

Our goal is simple: provide a free, easy-to-use resource that brings together the Bible and a growing collection of trusted study materials in one place.

SOME OF THE FEATURES WILL INCLUDE:

- **The KJV AP Defending the Faith Study Bible**
- **Fast verse and word searches**
- **Verse-by-verse study notes, references, graphics, and GBN commentaries**
- **Digital highlighting and note-taking tools**

AND WE'RE JUST GETTING STARTED.

We're already working on additional features, including AI-powered study tools that we believe will make personal Bible study even more helpful.

The website will be available soon, and an app will follow in the coming months. We're excited about what this tool will mean for Christians everywhere and appreciate your continued prayers and support.

EXPANDING THE REACH OF THE GOSPEL

One of the great blessings we continue to see at the Gospel Broadcasting Network is the continued growth of sound biblical programming designed to reach viewers in a variety of ways. Through teaching programs, podcasts, question-and-answer formats, and documentary-style efforts, we are thankful for every opportunity to spread the gospel around the world.

FAITHFUL BIBLE TEACHING PROGRAMS

Viewers continue enjoying programs such as Preaching the Gospel, Counterpoint, and Ask GBN, featuring Don Blackwell and Glenn Colley answering viewers' Bible questions with practical, scriptural answers.

REACHING NEW AND CURRENT AUDIENCES

We are also excited for Season 7 of The Authentic Christian Podcast, releasing this July, as it continues encouraging Christians to live faithfully while reaching younger audiences through meaningful biblical discussions.

We are also thankful for the addition of Unblinded, featuring Epifanio Carranza and Brandon Blackwell. This podcast-style program explores biblical truth through thoughtful discussion, sound teaching, and practical applications for everyday Christian living.

GROWING BIBLICAL RESOURCES

Programs like Hearing God Speak continue to help viewers deepen their appreciation for Scripture and its authority. In addition, we are nearing completion of a major long-term project: a full video commentary series covering books of the Bible featuring faithful gospel preachers and Bible scholars such as Brother Mosher, Gary Hampton, and many other sound brethren.

THANK YOU FOR YOUR SUPPORT

We remain deeply grateful for the prayers, encouragement, and financial support that make these efforts possible. Every lesson recorded, every program released, and every soul reached is possible because faithful Christians believe in the importance of proclaiming the gospel.

LEAVE A LEGACY

For more than twenty years, GBN has existed for one purpose: to take the truth of God's Word to people who might not otherwise hear it. By God's blessing, that work has reached countless homes, encouraged Christians, and helped teach the Gospel around the world.

*One way some Christians choose to help continue this work is through **planned giving**.*

A gift through your will, a retirement account, a life insurance policy, or another planned gift can help ensure that this work continues for years to come while also providing benefits for your family and estate planning.

You don't have to be wealthy to make a lasting difference. You simply have to care about what continues after you're gone.

If God's Word has made a difference in your life, we invite you to consider helping make sure future generations have the opportunity to hear it as well. If you'd like to learn more, we'd be happy to visit with you. There is no obligation, and every conversation will be kept completely confidential. Thank you for believing in this work and for helping us continue taking the Gospel to the world.

To learn more, contact us at info@gbntv.org or by calling us at 662-874-5508.
