RECENT PROJECTS

A GBN supporter has graciously offered to match up to **$300,000** in contributions given through the end of 2026. If we receive the full $300,000, the matching gift will bring the total to $600,000 for the work. Please consider a year-end gift to help us continue teaching the gospel in 2027. You can mail your contribution in the enclosed envelope, give online at gbntv.org/support/, or scan the QR code above.

Year-End Giving: New Tax Rules for 2026

This year the tax rules for charitable giving changed in ways that may help you support GBN's work. Starting with 2026 gifts, you can deduct up to $1,000 in cash gifts ($2,000 for married couples filing jointly) even if you take the standard deduction. If you're 70½ or older, you can give straight from your traditional IRA through a Qualified Charitable Distribution (QCD). A QCD isn't counted as taxable income, and it can count toward your required minimum distribution. Please talk with your tax advisor about what's best for you, and feel free to call our office at (662) 874-5508 with questions.

RECENT CONVERSIONS

Davie Hicks was baptized at Science Hill CoC in Readyville, TN following lesson by Don Blackwell.

An individual who wished to remain anonymous had been a frequent viewer of our TikTok livestreams and, through continued exposure to biblical teaching, began to understand the truth concerning the Lord's church, the error of denominationalism, and the necessity of baptism for the forgiveness of sins.

Through the livestreams and further study of God's Word, he came to understand that he still needed to obey the gospel by turning from sin in repentance and being baptized into Christ for the forgiveness of his sins. He made the decision to obey the gospel and was baptized into Christ.

Brittany Nicole Scott (right) was baptized at the Ware Branch Church of Christ at a gospel meeting with Don Blackwell, following a lesson on Finding the True Church of the Bible. We welcome Brittany to the body of Christ.

Why I Believe in the God of the Bible

Brett A. Rutherford

Why I Believe in the God of the Bible is now available as an audiobook in the GBN library.

"For believers in the one true God and His inspired revelation to man, the Bible, [this book] will strengthen their faith and provide an arsenal of facts and arguments to convince the unbelieving. For those who presently are unbelievers or skeptics, this book will open their eyes and provoke thought and evaluation of their position."
